The NCLEX-RN Exam Cram, Fourth Edition provides updated and concise coverage of all the topics a candidate needs to study for the registered nurse licensing exam. The NCLEX-RN Exam Cram, Fourth Edition blends the ideal level of discussion, drawings, tables and case studies into an easily digestible format for study. The NCLEX-RN exam is not a comprehensive recall of clinical nursing facts, but rather a test of critical judgment and management skills. The RN exam has more questions than the PN exam, varying between 75 and 265 questions. It is a more in-depth exam in regards to management-level skills than the PN exam. It is a Computer Adaptive Test (CAT) in which each test is assembled interactively based on the candidate's response to previous questions. The NCLEX-RN Exam Cram, Fourth Edition offers the cram sheet, notes, tips, exam alerts, and highlights judgment skills throughout the text. Case studies offer students the opportunity to coordinate facts with critical thinking skills. Two practice exams NCLEX exams are printed in the book plus hundreds of additional questions on the CD!
